

Celebrating 25 years in Business Thanking You Our Customers

Through 25 years of continuous presence in Manitoba, Keywin Industries has provided its customer with, innovative products and solutions to meet there companies needs. In its beginnings, operating as Canada Pumpex the Company's main focus was on pumps and mechanical products and services. Realizing at that time the need for a more diverse product offering, the Company expanded there product line to include Instrumentation and control products, automation systems and a wider range on Mechanical Valves, regulators and instrumentation and mechanical fitting.

It was also at this time the company changed its name to **Keywin Industries Ltd.** The company has change over the years but the focus on bringing quality products, innovative solutions and exceptional customer service has remained our primary goal. All of us at Keywin know and appreciate the support our valued customers have shown us over the years. It's through your show of support and your confidence in us that has allowed Keywin Industries to have a continued presence in Manitoba these 25 years.

All of us at Keywin would like to take this opportunity to Thank you, our valued customers and our suppliers for the many great years we have shared together. We look forward to a continued bright future with you all. You have our promise to continue to support and service your needs for the years to come.

Thank-You!
